MIDDLE BREAK - CLOSER

Do an **Allemande left** for an **Allemande thar**
Go right, go left and you form a star
Men in the middle like an **Allemande Thar**
And you roll it down the line
Shoot that star to the heavens whirl
Right and Left to the second girl
Men in the middle like an Allemande Thar
Roll it, roll it, cadillac car
Shoot that Star and a **Right and Left Grand**
And every other girl with every other hand
When you meet your lady, **Promenade**
Promenade home with the one you adore, singing
One of those wonderful songs
