MUST BE CHRISTMAS

(Music, lyrics & singing vocals by Jack Servello).

OPENER: SFGS

Can you hear the sound of church bells ringing?

Can you hear the sound of snowy feet?

Can you hear the carolers a singing,

As they walk along a snowy street?

ALLEMANDE LEFT & WEAVE . . .

Can you see the children as they're playing?

Can you feel the excitement in the air?

Can you see the snowflakes as they're lying?

Must be Christmas you can feel it everywhere!
